RE: Patent application number 10/823,983, filed April 14 2004

Message:

Dear Examiner Kershteyn

Thank you for your time today. I am writing to summarize our recent telephone discussion today regarding Application Serial No: 10/823,983. In this file, we filed an IDS with the USPTO on September 1, 2005. A Notice of Allowance was mailed from the USPTO on September 8, 2005. However this Notice of Allowance did not cite/reference the IDS of September 1. In our discussion today you confirmed receipt of the IDS on September 1, 2005. To correct this situation you stated you would provide the Supplemental Notice of Allowance next week, and that we should proceed with paying the issue fee that is due on December 8, 2005. The net effect of this is that the IDS of September 1, 2005 has been reviewed and accepted by you for the above noted application.

Thank you for your assistance on this matter.
